### APPLICANT AGREES TO:

1. Pay the applicable fee and service fee
2. Connect to the water system at the meter when installed to serve the above property and install his own service line from the meter to the place of actual water use.
3. Begin using water immediately after the tap is installed.
4. Comply with the District's by laws, rules, regulations, and policies. Pay promptly bill at such rates, time and place as shall be determined by the District's governing body. The present rate schedule is: 100 to 1,500 gallons \$24.07 plus tax, All above 2,000 \$11.50 per thousand and \$1.15 per hundred.
5. Comply with the requirements of the Tenn. Dept. of Public Health that the applicant's existing Water lines will in no way be connected to the Association's lines when service becomes available
6. Grant the District the right of ingress and egress necessary for the District to successfully operate and maintain its water lines and appurtenances.

### ASSOCIATION AGREES TO:

1. Furnish and install a tap into the District's main lines and a complete water meter installation at or near the applicant's property line.
2. Operate and maintain the water system so as to provide water to all users in a business like, adequate and non-discriminating manner.

### MUTAL AGREEMENTS:

1. The District will furnish a minimum of 20 feet of service line between the District's main and the meter assembly. Applicants requesting meter installations at a greater distance than 20 feet will pay all additional costs necessary to provide adequate water service to the applicant's Property and will obtain any easements or right of way that may be required with this service.
2. The District's indebtedness on the waterworks system will not be a lien on the applicant's property.
